

AGS Stainless Inc. (henceforth, AGS), warrants to the original Purchaser of Cascadia Railing that the product is free of defects in material and workmanship under normal use and with normal maintenance for a period of three (3) years. Discoloration of the product or surface oxidation is not considered a defect unless it is found that the material is not the represented grade of stainless steel. This Limited Warranty extends only to the original retail Purchaser registered for warranty and does not run to any subsequent owner of the facility where Cascadia Railing is installed. This warranty is valid only for materials that are used in the manner intended by AGS as described in the instructions.

If Cascadia Railing is defective, AGS will repair or replace it, at the discretion of AGS, free of charge, provided the product has been given reasonable care and the damage has not resulted from improper installation, accident, negligence or misuse, or from unauthorized alterations by the Purchaser. Claims must be made through AGS within thirty (30) days of discovery of the defect. Details on the defect and how Cascadia Railing was used (pictures are advised and may be required), together with proof of purchase must be included with the claim. Upon acceptance of the claim, the customer or customer's agent must submit the defective Cascadia Railing product to AGS prepaid and insured with no damage other than that claimed under warranty.

IN NO EVENT SHALL AGS, INC. BE LIABLE UNDER THIS WARRANTY FOR ANY AMOUNT EXCEEDING THE ORIGINAL PURCHASE PRICE OF CASCADIA RAILING. AGS, INC. DOES NOT, UNDER ANY CIRCUMSTANCES, ASSUME THE RESPONSIBILITY FOR ANY CONSEQUENTIAL DAMAGES INCURRED IN CONNECTION WITH THE USE OF CASCADIA RAILING.

This warranty set forth is in lieu of all other warranties, whether expressed or implied. AGS, INC. disclaims any warranty whether expressed or implied, with regard to Cascadia Railing, including any implied warranty of merchantability beyond the scope of the warranty set forth above, and except as may otherwise be prohibited by applicable law.
